Hey Brad,  
Great chatting with you. I'm still in Paris—back in NYC next week.

That QBE Dell laptop's been collecting dust in my New York apartment since I got back from London in Dec 2024. I told Dilip I should've dropped it at QBE London, but they insisted I return it to the NYC office with a FedEx slip that never arrived. Too many moving parts—honestly, I don't think QBE or Mphasis knows who's tracking what.

Hey Dilip,

I'm still in Cannes, my friend, and your QBE Dell laptop is just collecting dust in my New York apartment. In hindsight, I should have dropped it off at QBE London. I'll take care of it once I'm back in New York, just drop it off at QBE offices down in the financial district.

Hope all is well,

Albert <https://mphasis.it.com/>

I'm currently in Paris, just a heads-up that people are reviewing my insights on tuning document decoding here: <https://mphasis.nyc/>.

Take care of your family—that's what matters most.
